4. Click View Patient Attribute History link
5. Click Edit Patient Attribute History link
6. Make desired update(s)
7. Click Submit
8. Research correct status and effective date(s)

Fields that can be corrected through Patient Attributes History Page

Medicare Enrollment Status & Effective Date*
Employment Status & Effective Date*
School Status & Effective Date*
Vocational Rehabilitation Status & Effective Date*
Citizenship Status and Effective Date*
Citizenship Status and Effective Date*

*The Effective Date should be the original date of the attribute status.
(This is not necessarily today's date, which CROWNWeb defaults to)

The Patient Attribute History is a TIMELINE of the status. Do not delete statuses that have changed, but were accurate for the effective date listed. Remove incorrect and duplicate statuses and add statuses as needed. **These are the selections available in CROWNWeb:**

Improving Healthcare
for the Common Good®
