NW2 2019 Treatment Options QIAs Combined Monthly Status Report (MSR) June 2019 Worksheet

If only in one QIA (Transplant QIA or Home QIA) please skip the questions about the QIA that you are not in.

Questions 1-5 are: Which QIA(s) are you reporting for, Facility, Your Name, Title, and e-mail

#6: Your facility's current patient census: _____

#7: Have the Network's activities been helpful in supporting your work in the Transplant Quality Improvement Activity? (Yes/No/NA)_____

#8: Have the Network's activities been helpful in supporting your work in the Home Therapies Quality Improvement Activity? (Yes/No/NA)_____

9 Comments?

#10: Rapid Cycle Improvement: What has your facility staff re-evaluated and improved with regard to Treatment Options Education (Transplant and/or Home Therapies) or engaging your patients in their care during the QIA(s)? *(Hint – how you present patient education at QAPI counts, as does working with patients/patient champions to develop education stations/Lobby Days – any change in existing processes of procedures counts)*

Patient Engagement Activities

#11 Are patients involved with planning/launching your Education Station/Visual Display? _____

12 If yes, how? (Describe briefly)

#13 How many Patients/Patient Champions have you involved in QIA activities to date? (Hint: "involved" is: planning education station, discussing treatment options with the peers, working with staff to review policies, sharing their stories/experience) _____

#14 If zero, why? _____

#15 What did your patients say about the being involved in promoting Home Therapies and/ or Transplant?

#16 Overall (Jan-June), did you find the "Conversation Starter" ask a patient to name 4 Treatment Options and effective way to kick off a discussion about treatment options?

(Likert Scale: Didn't use; Ineffective, Good, Excellent) _____

#17 If you answered "Didn't Use", why?

#18 Overall (Jan-June), How many Transplant Lobby Days/Educational Sessions (with training staff or outside Speakers) has your facility held? _____

#19 Overall (Jan-June), How many Home Therapies Lobby Days/Educational Sessions (with training staff or outside Speakers) has your facility held? _____

#20 If you answered zero to Transplant or Home lobby days, why?

#21 Do you think your patients/Family Members/Care Partners would be interested in attending a Network hosted "Going Home Dialysis" and "Transplant Talks" conference call/webinar events?(Yes,No)_____

ESRD NCC Learning and Action Network Webinars

If only in one QIA (Transplant QIA or Home QIA) please skip the questions about the QIA that you are not in.

#22 Home Modality QIA LAN (5/14): Telemedicine and Home Dialysis:

Select one: Attended, Viewed Recording, Plan to View Recording
