## NW2 2019 Support Gainful Employment (VR) QIA Monthly Status Report (MSR) August 2019 Worksheet

Questions 1-2 are: Facility, Your Name, Title, phone and e-mail

**#3: Your facility's current patient census:** \_\_\_\_\_

**#4: Have you identified at least three resources for your patients to advance their careers/take classes?** *(Hint, Access-VR, Online Classes, Local Library, Local Independent Living Center, Local/State AARP Chapter? (Yes/No)*

**#5: If Yes, please briefly list the three:** \_\_\_\_\_  
 \_\_\_\_\_

**#6 Are you focusing on providing access to services (utilization) for your eligible patients ages 18-54 ?** *(Hint – Utilization is them taking steps with an agency either public or private to improve their skills/education or employment) (Yes/No)*

**#7: Sustainability:** Please list your facility’s sustainability goal from your sustainability plan drafted in August: *[Hint – did you watch the video on creating a sustainability plan? Did you use the template to develop your plan? (If you did, your goal is the first sentence from your template)]*

**#8: Does your facility offer shifts starting after 5PM to assist people with a traditional working schedule?**  
 (Yes/No)

**#9: Did a member of your staff attend the: (7/19) CMS Working/Sharing Call: Planning for the 2020 VR QIA?** Select one:  
 (Attended, Did not attend)

**#10: Please share a sample of patient comments on your QIA activities/interactions (Both positive and negative)**

**#11: What challenges have you encountered in meeting project goals?**
