NW2 2019 Treatment Options QIAs Combined Monthly Status Report (MSR) September 2019 Worksheet

If only in one QIA (Transplant QIA or Home QIA) please skip the questions about the QIA that you are not in.

Questions 1-5 are: Which QIA(s) are you reporting for, Facility, Your Name, Title, and e-mail

#6: Your facility's current patient census: _____

#7: Have the Network’s activities been helpful in supporting your work in the Transplant Quality Improvement Activity?
 (Yes, No, N/A)_____

#8: Have the Network’s activities been helpful in supporting your work in the Home Therapies Quality Improvement Activity? (Yes, No, N/A)_____

9 Comments?

Review QIA Patient Engagement Activities

#10 Please list three ways that your facility staff were able to engage patients in this 9 month QIA?

(Hint: we used Patient Champions/Peer Mentors/PAC Members; Patients helped with the Education Station; patients handed out Patient Feedback Forms; a Patient was involved in QAPI; we had a Patient Support Group)

ESRD NCC Learning and Action Network Webinars

If only in one QIA (Transplant QIA or Home QIA) please skip the questions about the QIA that you are not in.

#11 Home Modality QIA LAN (9/10): Home Therapies Targeted Education and Social Media :

Select one: Attended, Viewed Recording, Plan to View Recording

#12 Transplant LAN webinar “Successful Strategies for working with Patients” (9/17): Did a member of your staff attend or watch recording? Select one: Attended, Viewed Recording, Plan to View Recording

QIA Interventions

#13 Did your facility meet the QIA Goal?

Home Therapies QIA (Yes, No, N/A)

Transplant QIA (Yes, No, N/A)

#14 Please Review QIA Interventions:

Intervention	Hated It	Useful	Fantastic Keep for future QIAs	Didn't Use/Didn't Implement	N/A (Not in QIA)

#17 Comments on QIA toolkit materials:

Facility Best Practices and Barriers:

#18 Does your facility have a best practice you would like to share?

#19 Do you have any Barriers or issues that are impacting your ability to improve facility transplant and/or Home Modality Rates?

#20 Please let us know how we can improve QIAs for next year:
