NW2 2019 Support Gainful Employment (VR) QIA Monthly Status Report (MSR) September 2019 Worksheet

Questions 1-2 are: Facility, Your Name, Title, phone and e-mail

#3: Your facility's current patient census: _____

#4: Sustainability: Please list a practice/tool from this year's QIA that your facility is integrating into your Work/School/VR tracking practice. OR If you are not integrating any practice/process changes from this QIA, please explain why.

Patient Engagement Activities

#5 Please list three ways that your facility staff were able to engage patients in this 9 month QIA?

(Hint: we used Peer Mentors/PAC Members; Patients helped with the Education Station; patients handed out Patient Feedback Forms; a Patient was involved in QAPI; we had a Patient Support Group)

#6 Please describe the most difficult aspect of engaging patients in QIA activities:

Facility Comments and Barriers

#7: Please share a sample of patient comments on your QIA activities/interactions (Both positive and negative)

#8: What challenges have you encountered in meeting project goals?

QIA Interventions

#9 Please review and rate the Network QIA Interventions:

Intervention	Hated It	Useful	Fantastic: Keep for future QIAs	Didn't Use/Didn't Implement
Root Cause Analysis				
National ESRD NCC LAN Webinars (March , April, June)				
PDSA Plan for Barrier #1				
QAPI Discussion of QIA Goals/Interventions				
Patient 1:1 Education				
Patient Involvement in QAPI				
Order Printed QIA Toolkit Materials				
Create Education Station /Visual Display				
Patient Assessment/Conversation Starter				
CROWNWeb Update Guide : Patient Attributes				
MEI Patient Interest Checklist				
National EN Webex (Interviewing Tips ; VR QOL ; Resume Tips)				
Relationship with VR/EN staff				
Education Station Photo Contest				
Patient Feedback Form				
Contact Independent Living Center				
Review CQI Series Module: Adopting Sustainability Strategies				
Participate in Network Site Visits (virtual via WebEx/ in person)				
Sustainability Planning Guide and Template				

Comments/Feedback

#10: If you had the chance to plan activities/interventions for this QIA – what would you change for the future?

#11: Any additional comments/feedback? (This is your FINAL MSR for the QIA!)
