

New!

Join the COVID-19 Weekly Quickinars for People with Kidney Disease

These 30-minute events feature patient advocates and subject matters experts presenting on timely Coronavirus 2019 (COVID-19) topics and answering your questions.

Every Tuesday 5:00–5:30 p.m. ET

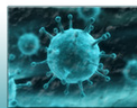

Topics include:

- Using Telehealth to Visit with Your Doctor—A Patient’s Perspective
- Maintaining the Kidney Diet in this Environment
- Remaining Connected While Practicing Social Distancing
- Understanding My Emotions During the Pandemic Staying
- And More.

Please register to attend these events.

- Visit www.kidneyCOVIDinfocenter.com
- Click “Quickinar Events”
- Select “Click Here to Register”

COVID-19

“Quickinar” Events

If you miss (or cannot attend) these quickinars, they are available on-demand by visiting the ESRD NCC’s Quickinar Playlist on [YouTube](https://www.youtube.com) to watch the recordings.

Have ideas for future topics?

Share them with the End Stage Renal Disease (ESRD) National Coordinating Center (NCC) by emailing nccinfo@hsag.com.
